

# HOME LEARNING

**Monday 18th January**

# PHONICS - CHALLENGE 1

Consolidating our sounds! We have now had last lesson about all of our sounds. Over the next few weeks we need to consolidate our learning and make sure we're reading them and using them in our writing correctly.

1. Watch the video from Letters and Sounds.
2. Write three words that include the sound
3. Come up with a sentence that includes one of those words.

Handwriting challenge: Complete a line of the letter 'a,A' both lowercase and Capital. Then think of two words with this letter at the start.

# ENGLISH - CHALLENGE 2

Planning your story - Problem -  
What could happen to your  
character?

What could the bad character do  
to your good character that  
causes them a problem?

Write a few sentences that can  
explain your idea.

Or

Draw what happens.

## Uh oh! What's Happened?

a surprise, a problem, an event

### Who?

someone, something, a  
mysterious new character,  
an old friend or enemy,  
a prince or princess, a  
dragon, a monster, a wolf.

### Where?

beside the fireplace, onto  
the chimney, from out of  
the sky.

### When?

first thing in the morning,  
as the clock struck twelve.

### How?

suddenly, without warning.

## Problem or Dilemma

### Use Dialogue (Direct Speech)

"Stay back!" the brave knight  
warned the fierce dragon.  
"I'll huff and I'll puff and I'll  
blow your house down!"  
shouted the wolf.

### Build Excitement

Use paragraphs  
with quick,  
short sentences.

### Use the Past Tense

He wondered...  
She felt...  
He was wondering...  
She was feeling...

### Characters

# MATHS - CHALLENGE 3

## To identify one half of a shape

In this lesson we will be exploring what equal and unequal mean and finding half of a shape by dividing it into two parts.

Start Lesson

### Maths - Challenge 3:

#### Fractions : To identify one half of a shape

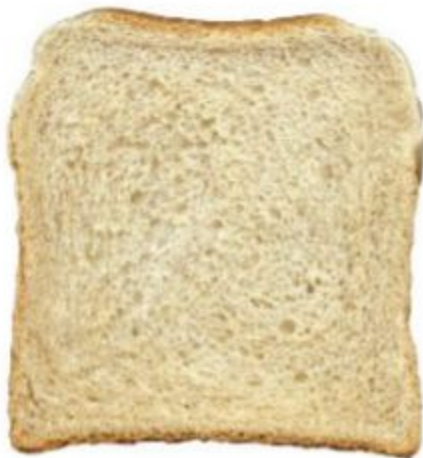

In today's lesson you will be splitting shapes into half.

1. Follow the Oak Academy video
2. Find the resources on the powerpoint.
3. Either use the worksheet or a physical object.

<https://classroom.thenational.academy/lessons/to-identify-one-half-of-a-shape-60up2c>

# Independent Task

How many ways  
can you cut a slice  
of bread in half?

How many ways  
can you show the  
slice not being cut  
in half?

How do you know?

# PSHE - CHALLENGE 4

## Exploring your feelings - Happiness

On the powerpoint there is a picture of a gingerbread man. Inside your gingerbread man can you draw all the things that make you happy.

To finish, write a sentence about one thing in particular.
