

Autumn 2 Learn together at home

Read

Read your favourite stories at home with your family.

Watch: https://youtu.be/OfPj5_k2kZk

How are the animals and Percy feeling? Why? How do they feel at the end of the story?

Explore

With your grown ups find out which animals are nocturnal, like the Owls in the story.

I wonder which other ones are?

Can you draw, paint or build your own creature with your grown up, and share it at nursery.

Maths

With your grown up, go on a shape hunt around your home environment.

Can you find circles, triangles, squares and rectangles. I wonder how many? Have you found more or less of each shape? Can you sort them into groups?

Fine motor skills

Create your own hedgehog with your grown up using playdough or clay

[Playdough recipe | BBC Good Food](#)

Share your creation with us on tapestry.

Mark Making

Practice making marks on paper, in mud, sand etc..

Try and copy letters or marks made by your grown up using a pen, pencil, paintbrush, water, chalk or a stick.

Baking

Using the recipe shared on Tapestry, can you, with your grown up, make Gingerbread biscuits.

You could bring them in to share with your friends at nursery.
