

# Summer 2 Learning experiences at home

## Maths

Make some DIY weighing scales using a coat hanger and buckets/containers... Explore the weight of different items—which is heavier/lighter? How do you know?

## Explore

Create Recycle junk materials and create your very own aquarium. Practice using scissors to cut the shapes...

## Fine Motor Skills

Fine motor skills Make a nature necklace by threading natural materials...you could use leaves and flowers, perhaps creating a pattern!

## Create

Have fun creating some 'nature soup/potion'... What can you find to put in it?

## Mark making :

Practice making different marks using different mediums; pencil, chalk, paintbrush, a stick in sand/mud etc.

## Health/Wellbeing

A place to relax.  
Create an outdoor den with your child.

Please choose one activity per week to complete. We would love you to bring it in to share with us in nursery!
